Enclosed in this newsletter is a menu and pricelist for the new canteen operators. There has been a slight increase in prices however, there is also a greater variety of food items. It gives me great pleasure to announce that Mr Carluccio is the new licensee and he is employing Mrs Boyle to continue servicing our students.

Please note the canteen will be closed on Monday 2 November as new stock and machines are transferred onto the premises. All students will need to bring food and drink items for lunch and fruit break on this day.

The licensed canteen will begin operation on Tuesday 3 November.

This week we are celebrating the benefits of Gonski funding. An information sheet is attached to this newsletter. It outlines some of the programs, additional staffing positions and special initiatives at Liverpool West that have been put in place to improve student wellbeing and learning outcomes, as a result of these additional funds.

Please take the time to read through this information and if you can, contact both state and federal members of parliament to state how this funding has supported your child/ren and to request Gonski funding continues in the future. The members of Parliament to contact are:

Mr Chris Hayes MP (Federal MP)

Mr Paul Lynch (State MP)

WORKING HARD IN S2I
S2I have been working really hard in class during reading groups using their Reading Eggspress account. Every student is hard at work completing an assignment making inferences to better comprehend their text.

FUN AT THE FARM
On Tuesday 20 October the Preschool and Kindergarten students visited Calmsley Hill City Farm. The children had the opportunity to explore the farm by going on a tractor ride, milking a cow and caring for animals in the nursery. It was a fun day out and the children really enjoyed learning all about the animals that live on the farm. Below are some photos of the preschool students enjoying various activities:

DEPUTY PRINCIPAL’S UPDATE
Congratulations to Annalise Redman, Ella Redman and Jana El Sawa who competed recently in the Liverpool District Public Speaking Competition. The girls represented themselves and their school superbly with the way they behaved and spoke on the day. Well done to Ella who is the Liverpool District Champion for her age group. Ella will be competing in the Regional Public Speaking Competition on Tuesday at Greenway Park Public School and we wish her all the best. Thank you also to their teachers who prepared and taught the students so well.
