P&C NEWS
The annual general meeting for the Liverpool West P&C was held at school on Tuesday 10 March and it was attended by 16 people. The previous executive members of the P&C were thanked for their involvement and support. One of the most significant achievements for this group was the successful fundraising that resulted in the installation of side stage curtains and a hall microphone.

The new 2015 P&C executive was then elected. Congratulations to the following parents and citizens who have taken up the following leadership positions:

President – Emad Chalab
Vice President – Michelle Milich
Treasurer – Debbie Rivera
Secretary – Nithiy Ramsey

The P&C have decided to meet on Tuesday afternoons at 2:10pm as this is a time when the majority of people are able to attend. The next meeting will be held on Tuesday 5 May in the staffroom.

The Spa Area has a new addition! Mr White has assembled a cubby which is proving to be very popular with our students.

KISS & DROP SAFETY
There is still growing concern regarding the morning Drop off Area. The traffic through this zone needs to move at a faster rate so that cars are not banked back around the corner into Hoxton Park Road. Council parking rangers will be monitoring the problem and if there is no improvement, the area may have to be closed. To avoid traffic congestion, there can be no right turn at the exit gate. The zone also needs to be a safe access point for students to get out of cars. It is for this reason the driveway has been narrowed to a single lane. It is not the duty of staff to police traffic. However, Mr White is undertaking this role to help keep traffic moving and to keep children safe. I urge drivers to follow Mr White’s instructions and to respond courteously to his requests.

STUDENT LEADERSHIP GRIP EXCURSION

The photos above are of our Student Leadership team at the GRIP Excursion. Below is an account of the day by two of our leaders:

"On Wednesday 4 March 2015 the Student Leadership Team together with Miss Slanovits attended the GRIP Leadership excursion to Sydney Olympic Park. We did activities that helped us to improve our leadership skills', learning about what makes a good leader and how to look for opportunities to lead at school. Together we planned creative ways to make Liverpool West Public School a fun, safe and clean environment for our schoolmates. It was a fun and educational day for the 2015 Leadership Team."
