I would like to introduce Mr Adrian Moodley to the Liverpool West Public School community. Mr Moodley is an experienced teacher in special education who is replacing Ms Castelo on 3-6C. Mr Moodley is only able to be with us until the end of Term 2. In the meantime, we are advertising for another special education teacher to teach 3-6C until Mr Kirkman returns next year.

Thank you to the P&C for organising a very successful Mother’s Day stall. Apart from raising over $1,500 in profit, it was a wonderful opportunity for children to independently shop for a special gift for their mum. There was such a huge variety of gifts that covered many tables. All were wrapped and tied with bows by our parent helpers.

A message from Mrs Hagan...

School uniforms are important in developing school pride and a sense of belonging. Please parents, can you help promote and support our school image by ensuring your children are always in full school uniform. This includes black school shoes!

Thank you!
SUCCESS IN SPORT

Last week Milana Dejanovic from Liverpool West represented Sydney South West at the regional tennis carnival. Milana competed in many matches over 4 days and we would like to congratulate her on this remarkable achievement. Milana is in Year 3 and competed against students much older than her. Well done Milana! We are all very proud of you and look forward to hearing about your future successes. Below is some information Milana has written about herself:

Hi my name is Milana. I started tennis when I was four years old. I train four times a week and I play in tournaments. I played my best at the Sydney South West Carnival. I played doubles with a girl called Monica, she was really good and we won the first match. On the second day I played my best again but I lost 7/5. All parents and coaches were watching me play. A coach came up to me and said that’s the best match I have ever seen. The third day it was raining so games were cancelled and points were added together to get a champion. This wasn’t me but I got a certificate and enjoyed my time competing.

SCHOOL CROSS COUNTRY CARNIVAL

On Tuesday 5 May we held our annual Cross Country carnival. The weather was not kind to us and all council grounds were closed with no indication as to when they would reopen. We made a decision to run the carnival on the school grounds. We were extremely proud of how all our students adjusted to this variation. Many students showed great persistence in completing the long course and gave their very best. A team of 56 students have been selected to represent Liverpool West at the Zone Cross Country carnival on the 26 May.

CELEBRATING MOTHER’S DAY IN THE PRESCHOOL

On Monday 11 May the children in the preschool had their mothers, carers and aunts spend some time with them to celebrate Mother's Day. Here is Aiden with his mum enjoying their breakfast together.
