Yesterday was an extremely busy day at Liverpool West. Some of our students represented our school at the Zone Cross Country Carnival, we acknowledged National Healing and Reconciliation Day and it was the final day of the Book Fair.

All students had an opportunity to visit the Library and observe the wonderful display that was arranged for them by Mrs Young. The event was well promoted and we even had a special visit from Geronimo Stilton on Monday morning!

Mrs Young’s passion for literature and reading is evident for anyone entering our school library at any time of the day. However, during this last week the library was filled to the brim with additional shelving that displayed an assortment of quality reading material and interesting stationery items.

Thank you to the many parents who supported this event by visiting the library and purchasing books from the children’s “Wish List”. In total, $5,200 was spent, $1,820 of which will be returned to the school, for us to purchase more books for the school library.

A message from Mrs Hagan...
School uniforms are important in developing school pride and a sense of belonging. Please parents, can you help promote and support our school image by ensuring your children are always in full school uniform. This includes black school shoes!
Thank you!
As part of the festivities surrounding the Book Fair, Mrs Young organised two competitions. The names of the winners appear below:
Teachers Choice Winner (children had to match the book with the teacher):

ZONE CROSS COUNTRY
Yesterday 42 students proudly represented our school at the Zone Cross Country. This was held at South Park Oval, Chipping Norton.

Our students were extremely well behaved and patiently waited for their age race.

Two of our students have been successful and will represent Liverpool West at Regional Cross Country. Congratulations to Milan Drca (S2P) and Isabella Farrell (S2K).
